

Dear South Park Resident,

We are pleased to inform you that County Hauling, a Noble Environmental company, was awarded the contract for residential trash and recycling collection in South Park beginning January 1st, 2024. We look forward to providing South Park with a safe and efficient collection program! Our goal is to keep as many collection days the same as possible, however we needed to make a change to service the Township on Mondays and Thursdays. If your current collection day is Wednesday, then there is certainly a change to your collection day. There may also be a few streets that were changed from Monday to Thursday. Please see the attached street listings to determine your regularly scheduled pick-up day. Please keep in mind that New Year's Day falls on a Monday this year so the **first collection of the year will be delayed by one day.**

The following guidelines apply to all residential trash and recycling collection in the Municipality:

- Trash and recycling must be out the night before your collection day, or prior to 6 AM on the day of collection.
- Recycling will begin on the week of January 1st and will be collected **every other week** moving forward for all residences.
- All trash and recycling containers, as well as bulk items, must be within five feet of the curb (or five feet from the edge of a traveled road) and placed so as not to interfere with the collection of other items, block the right of way or obstruct traffic. Items not visible or otherwise obstructed from view will not be collected.
- All trash **MUST be bagged** before being placed in the trash can. Loose trash is a potential health hazard for our employees, is more difficult to collect and is a major factor in municipal litter. There will be a weekly limit of fifteen (15) bags of trash and one (1) bulk item per house.
- Please **do not bag your recycling**, it should be placed in the container loose. If you are placing loose cardboard out for recycling, please flatten all boxes and stack them neatly next to your recycling can. There will be no limit on the amount of recycling collected each week.
- There will be a limit of one (1) bulk item per week for each household.
- See the attached calendar for the Holiday collection schedule. If a holiday falls on a weekday, collection is pushed back one day for all days that follow.

Please call or email us with any questions, and we look forward to serving your community!

Glass is back!! Clear, brown, blue, and green glass food and beverage containers or jars will be accepted in your recycling containers.

Types 3-7 Plastics are no longer recyclable. There is no market for this material, so if it ends up in the recycling, it will be trucked to the recycling plant, then sorted and trucked to the landfill. The best way to reduce the carbon footprint of each item is to follow these guidelines closely and be sure to reach out to our Customer Service if you have any questions!

The two types of plastic that are still recyclable are **Types 1 & 2**, which are among the most common. Examples of Type 1 include soda, water, salad dressing and cooking oil bottles (either bottles you drink from, or that hold consumables). Some examples of Type 2 include milk and juice jugs, shampoo, conditioner or bodywash bottles and laundry detergents containers. Neither of these lists are comprehensive, so be sure to check each container for the recycling logo and the codes PET or PETE for Type 1 and PEHD or HDPE for Type 2. If the container has any of these codes, it is recyclable. If it does not, then it is not recyclable.

If you have any questions about the list of recyclable and non-recyclable materials below, please call Customer Service.

RECYCLABLE MATERIALS

- Aluminum Cans
- Corrugated Cardboard
- Newsprint and Inserts
- Office Paper
- Type 1 & 2 Plastics
- Steel Cans
- Glass bottles and jars
- Phone Books
- Paperback Books
- Junk Mail and Envelopes
- Pizza box lids – If not tainted by food
- Boxboard: such as tissue, dry food boxes, cereal, noodles and cake boxes

TRASH

Put all Non-Recyclable material in the trash.

NON-RECYCLABLE

- **Types 3-7 Plastic**
- Garbage, food waste, diapers, paper plates, hangers, old plastic toys
- Meat or dairy plastic or paper packaging
- Wax or plastic wrap or bags
- Freezer food packaging
- Plastic deli, product or take-out packaging or utensils
- Plastic bags or wrapping film
- Formed or pellet Styrofoam packaging
